The wheel is complete - commenced in March 2009 and completed November 2009 - a nine month gestation. Each zodiac signs sits within a repeating segment from which is sub divided (1.618) to show the sign illustration and it's consolation below. All segments revolve around OM at the centre. Each sign illustration has spirals within it that connects points of energy to the next in each direction. Now that it is finally completed the 12 are in place around 1 and all consolations are joined in the space. Each individual star segment is a painting in its own right, ink on water colour paper with the illustration drawn in white pastel. Check out your own star sign painting - high quality unframed or framed greeting cards prints available at [www.ourpsychicart.com](http://www.ourpsychicart.com) to purchase.
